EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- a) Claim 1, line 2, delete "by" and replace with –comprising--.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest a biochip measuring method comprising measuring a plurality of images, moving the biochip step-wise by an integer multiple of the field of view on the sample of a one or two dimensional array detector, then obtaining an image of the biochip by combining the plurality of images; or biochip measuring equipment comprising a driving means that moves a stage step-wise by an integer multiple of the field of view of an array detector and an image combining means which combines a plurality of images of the biochip obtained by the array detector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
